### Family background

Alphert lives with his father and mother, with six (6) siblings. The income of his family mainly comes from a small clothing and vegetable business. However, this stream of income is not consistent and depends on clients and what vegetables are in season. Their total household income is K1500 (USD 93.80) per month. All of Alphert's siblings are currently in school. Alphert's father believes that the KF scholarship will help Alphert attain secondary and tertiary education and achieve his dreams because unfortunately, the family's financial status does not allow them to adequately provide for their family's needs.

### Academic Background

Alphert's academic background in school is impressive. His average score is 84%. Alphert is one of the very top students in school and he also performed very well on the KF exams. His favourite subjects are Mathematics and Science. He believes Math is applicable in our

day-to-day lives while he enjoys Science because he wants to work in the medical field one day as a doctor.

### **Extracurricular Interests**

Alphert is a lover of sports and keeping active. When he has free time he enjoys playing soccer with his friends at a nearby sports club. He also enjoys reading books of all genres. Alphert is known to be a leader in his community and at school. He serves as a class monitor as well as a soccer captain. These opportunities have allowed him to become a stronger leader and have allowed him to lead by example. He hopes to continue his leadership roles in the future.

### **KF's Thoughts on the Student**

Based on Alphert's scores he received a 70% in the KF evaluation. He went on to score the highest marks in the KF written exams. During the student interviews, Alphert mentioned that the scholarship will enable him to have a quality high school education which will set him up for more tertiary opportunities. He further mentioned that the scholarship will also provide him an opportunity to help his community through various KF engagements. Overall, based on Alphert's results and activities, Alphert makes a promising candidate for the KF scholarship.

### **Student's Thoughts**

Alphert hopes to get the scholarship so that his family can be assisted financially and so that he can achieve his goals in life. In his community, he hopes to one day help improve the water supply to the area as it is a big challenge for them.
